A Name Selected.

"Riter's Elite Steam" is the name that has been selected for the brew to be made at Henry Riter's brewery. A committee consisting of W. S. Beard, L. P. Malotte and R. W. Parry canvassed the names submitted up to noon Sunday and chose the above-named name from among the 35 submitted. FUNERAL OF H. P. KRAUS.

A Large Crowd of Sorrowing Friends Pay a Last Tribute.

With tear red eyes and heads bowed down in sorrow the earthly tenement of Henry Philip Kraus was followed to its last abiding place Sunday afternoon. Despite inclement weather there was a large attendance upon the funeral of this, one of Reno's best, most honored and most highly respected citizens.

Impressive ceremonies were held in Masonic Temple. The deceased had reached the exalted rank of the mystic 32nd degree in Masonry and all the honors of that order were shown upon him.

The services were opened by Supreme Justice Fitzgerald, one of the world's most distinguished Masons, and Sovereign Inspector-General of the Consistory of Scottish Rite Masonry.

After his impressive prelude, Worshipful Master Frank D. King of Reno Lodge, No. 13, P. & A. M., read the solemn service of the Blue Lodge.

The bier was banked in beautiful hot house flowers. Some of the most beautiful of the floral mementoes were sent by the Lodge of Perfection, the Chapter, the Blue Lodge, the Benevolent and Protective Order of Elks, and the employees of the Reno postoffice.

The bearers of the pall were J. Haugh and Prof. Ring of the Lodge of Perfection, E. Morrill and A. C. Bragg of the Chapter, W. D. Phillips and L. D. Folsom of the Blue Lodge and J. P. Stewart and General Turritin of the Elks.

Earth to earth, ashes to ashes, dust to dust—but the kindly, lovable spirit of the deceased had already been received into its inheritance by the God that created it. Requiescat in pace! An everlasting farewell until time has an end.

Progressive Firm.

Messrs. Clausen and Block, proprietors of the Washoe Lunch Counter and Bar, have earned the reputation of being first-class caterers. Their business is steadily growing and they are enjoying patronage from the best people of Reno.

Off for the South.

A. B. Uplike, Roy Stoddard, E. A. Richardson and J. M. Libbey expect to leave this morning for the southern part of the State where they have a summer's work handling tailings. Carl Stoddard, who is also interested in the enterprise, will leave on the 19th.

Election of Officers.

George H. Taylor has been elected president of the Riverside Mill Co.; J. E. Henry, vice-president, and C. Gilling, secretary and general manager. The other new trustees are C. T. Bender and E. B. Coffin.

Right prices, and the largest stock of bicycles, tires and sundries in the State. Repairing by mechanics. Tires for children's bicycles.

Millionaire Klondiker in Town.

Lind, the Klondike king, is a guest at the Riverside hotel. He is down from the icy north with more hundreds of thousands of dollars than most men have fingers—so the rumor goes. This is the millionaire who recently figured in a big breach of promise suit in San Francisco.

It is said that when he came down from the icy north his first act on board ship was to buy up all the champagne it contained. What he and his friends had not capacity for was thrown to the sea gulls.

The Klondike King amused himself Sunday night opening wine for many thirsty throats. He expects to go to Tonopah in a few days and will doubtless cut a 24-foot swath in that Sunday School town.

Pioneer Soda Works.

The Pioneer Soda Works, conducted by Smith & Brian, is doing a rushing business. This is one of Reno's recognized industries and the products of this establishment are shipped everywhere. Watch for an announcement.

John Weeks came in from Dogskin yesterday. He had a perilous trip. The snow is four feet deep out in that country. For three weeks Mr. Weeks was unable to leave his cabin and did not see a human face in that time.

NEWS OF PEW AND PULPIT.

A Resume of the Past Week's Happenings in Church Circles.

BAPTIST CHURCH.

The Verdi Mission is a very interesting and promising work. They have a good Sunday School, an interesting Christian Endeavor Society, and last Friday night this scribble preached to as an intelligent little congregation as he has met, since he has been in Nevada.

Next Sunday the Reno pastor will preach in Verdi, morning and evening. Mr. Evans, who supplied our church last summer, will occupy the Reno pulpit, morning and evening. Mr. Evans is a thoughtful, cultured young man that it will do you good to hear.

Our service Sunday morning of boys and girls, was, as we are sure, appreciated by others beside the young folks. Several of our Sunday School scholars expressed a desire to live Christian lives.

These special services and sermons for boys and girls are to become a regular monthly feature of our work.

Rev. F. S. Lawrence of San Jose, Cal., passed through Reno on Saturday morning's train, en route to Wadsworth, where he conducted divine services and preached on Sunday.

We are bending every energy now in preparing for our Easter services. The main feature of the services will be the annual offering to Home Missions.

Our Home Mission Society is a thoroughly American institution that has commissioned more than 25,000 missionaries for service; has organized more than 7500 churches; organized more than 10,000 Sunday Schools, and received into the fellowship of the churches nearly 400,000 people. Brethren and friends, let's make an offering to this work this year that will be a glory to God, a credit to our own church and an honor to one of the greatest missionary societies ever founded by the Christian church.

On Saturday evening, the 23rd, our Sunday School and Junior Society will give a temperance concert and rally, under the auspices of the W. C. T. U.

We are preparing to hold special services in our church early in April. We are hoping to have the assistance of Rev. M. Slaughter, of Oakland, Cal.

Friday evening of this week our Young Peoples' Society will hold their monthly business meeting and social at the home of Mrs. Anna Foster, 615 Virginia street.

CONGREGATIONAL.

Morning service was well attended. Rev. Chas. E. Chase took for his theme, "The Christian Way of Looking Out For No. 1." This was shown to involve a consideration of the rights of all the other numbers.

The evening service was under the auspices of the W. C. T. U. It consisted of a memorial to Miss Frances Willard. The program was a very interesting one.

VOLUNTEERS OF AMERICA.

We are glad to report that the Sunday School is again on a forward move under the able management of Mrs. Dr. Ingalls, assisted by the officers of the Post, who play the music and help the children singing and otherwise make the afternoon meeting interesting.

Since the weather has improved the evening meetings have been better attended and Sunday night's meeting was made interesting by solos, duets and choruses.

Joseph Hyde Pratt, Ph. D., of Chapel Hill, N. C., who belongs to the V. of A. Defenders' League, spoke a few encouraging words and endorsed the work of the V. of A. as carried on all over the country.

Many have called for food and shelter and none turned away without help. Reading matter has been sent to the inmates of the jail and as far as possible those on the broad road to destruction have been pointed to the narrow path that leads to happiness here and everlasting life.

Another Evidence.

The arrival of a carload of "P & B" roofing and building paper at the warehouse of W. I. Mitchell, 214 and 216 Lake street, is another herald of the rapid strides Reno is making, not only in her own growth but as a distributing center.

Varney W. Gaskill, ex-Secretary of the Paris Commission, is in town, the guest of George Ecker. Mr. Gaskill is national agent for Black and White and Ruinart champagne.

THE SENATE AFFRAY

WHILE there is much to be regretted in the personal encounter between Senator Tillman and McLaurin, of South Carolina on the floor of the senate, it must be said that there was much excuse for Tillman's assault, and some good may result from it, because the attention of the country has been fixed on the charge made by Tillman, that votes for the ratification of the treaty of Paris were secured by improper means.

In the first place Senator Spooner cannot be absolved from some responsibility for the affray. In fact there is evidence that he deliberately planned it. It is frequent for Republican senators on the Republican side to annoy Tillman with questions and suggestions. He seldom makes a speech—and he speaks frequently—without numerous interruptions from the other side. His, perhaps, somewhat coarse frankness often provokes them to interrupt. Spooner on the morning of the affray had been taunting and tantalizing Tillman, and gradually led him along to the point where he made the charge that improper influences had been used to secure votes for the ratification of the treaty. The newspapers had reported the colloquy up to the point where Tillman made the charge, but beyond that have remained silent. The Congressional Record goes beyond that and the following quotations are of interest:

Spooner—If the Senator knows of any member of this body who voted under corrupt influences for the treaty name him.

Tillman—I cannot prove it.

Spooner—Well, I would not say it.

Tillman—But I can prove this—

Spooner—I would not say it.

Tillman—I can prove this; that the patronage of a State has been given to a Democrat who voted for the treaty.

Spooner—What State?

Tillman—South Carolina.

Spooner—Fight it out with your colleague.

Tillman—I am ready.

Spooner—Yes, I am ready and he is ready.

Tillman—Let him—

Spooner—He is not here.

Tillman—He has not shown his readiness.

Spooner—But he will be here.

He was there very soon afterwards. It would appear to an observer from a distance that Spooner knew that he would be there—knew he would be summoned, and that he had carried the colloquy to that point for the express purpose of having him summoned. His reference to Tillman fighting it out with his colleague, and his assertion that McLaurin would be there, indicate Spooner's intent to provoke the affair that afterwards took place.

Tillman charged that improper influences were employed to secure votes for the treaty. He said things had been told him in confidence by members of the Republican side that led him to believe that. He refused to make a charge against anyone. When taunted with cowardice he still declined. He said he could not prove the charge. He did not charge that McLaurin was given the patronage of the State as the price for his vote for the treaty. He only charged that after he had voted for the treaty, McLaurin was given the patronage of the State. Against that assertion no denial can be made.

The plain fact is that votes were needed for the ratification of the treaty. They must be secured in some way or the administration policy would be smashed. No Republican will deny that, after having voted for the treaty, McLaurin was given control of the patronage of South Carolina. Will anyone pretend to say that he was given it for any other reason except that he voted for the treaty? There are some bargains so inamous that they are not stated in terms.

Now as to Tillman's offense. It was grievous. No one probably realizes it more deeply than the Senator himself. Yet with all his faults, we believe that such a man as Tillman is needed in the senate. He is rough, often coarse. He does not hesitate to charge the Republicans with the hypocrisy and iniquity they try to conceal and gloss over. On terms of personal friendship with many of the prominent senators of the opposition, he yet states with force and vigor plain truths about their course and policy that sting because they are truths. The treaty of Paris was so opposed to the sense and conscience of the senate, as well as of the country, that men voted for it with hesitation and are sorry for it today.

Hanna plead for the expulsion of Tillman from the senate because he constantly denounces Republicans as hypocrites. If one must choose between Tillman and Hanna, we will, regardless of political affiliations, choose every time, the plain, blunt, honest man of the people, with all his faults, instead of the gross sensuous friend of the trusts.

SENATOR MONEY says that in the congress of provision of government organized by Aguinaldo, sitting at Malolos, November, 1898, composed of eighty-three members, there were more university graduates than ever sat in the United States senate at one time. And yet it is claimed that the Filipinos are not capable of self government.

GRATIFYING RESULT.

THE meetings of the State Central Committees of the Democratic and Silver parties last Saturday practically settled the question of fusion which in its turn assured the success of the bimetallic, anti-imperialistic and anti-trust fostering element in the State at the election next fall. The fraternal feeling manifested by each committee towards the other, proved conclusively that the members realized that they were engaged in a common cause; that unity of action was the only proper course to pursue and that division meant the surrender of the State government and our representation in the national legislature to the common enemy. There was a larger attendance in each committee than had ever assembled in such bodies in the State. Nearly every member of each committee was represented, either in person or by proxy and the proceedings partook more of the character of a couple of convocations of some fraternal society than of political bodies or councils. There was not the slightest indication of dissension, and the entire proceedings argue most conclusively that harmony will be maintained and that the fusion ticket in 1902 will be elected by a larger majority than was that of two years ago.

WHEN Senator Tillman and his colleagues argue for justice to the inhabitants of the insular possessions of the United States, they are doing no more than trying to guarantee universal rights that are so considered in the Declaration of Independence and the Constitution.—Utah State Journal.

But you must not forget that the Declaration of Independence is forbidden literature in the Philippines by governmental authority, and that the federal constitution is not supposed to be so far reaching as our "possessions" in the orient. It is fortunate for the publishers of the Journal that its incendiary remarks are made in Utah instead of the Philippines.

MISS STONE has so far eluded the reporters of sensational newspapers. She evidently has an eye to business and is reserving the story of her captivity for the lecture field, and does not propose to fritter away her stock in trade in interviews, but will keep it intact for disposal at the ticket office. She is right and no one will begrudge her what she accumulates by the recital of the painful story of her experience with the brigands of Bulgaria.

MINING IN THIS STATE

Culled News of Nevada's Most Important Industry.

That Ray will become a permanent producing camp is now an assured fact. Ray is like Tonopah in its gold value in that as depth is attained the percent in gold increases.—Tonopah Bonanza.

Since the return of General Manager George H. Dunham from the east two weeks ago the work of completing the new Chairman mill and getting it ready for a successful start has been pushed forward with energy and now Mr. Dunham expects to have the plant in operation by the first of next week.—News.

The Crown Point Mining Company directors leveled an assessment of five cents per share yesterday.

There is a rumor current that there will soon be something doing with the Bluestone property. It is said that Mr. Green, the wealthy copper mine owner, of Arizona and Mexico, is liable to become interested in the property, and that he and W. H. McHenry may be expected here to look through the mine.—Times.

NIGHT WAS HER TERROR.

"I would cough nearly all night long," writes Mrs. Charles Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three 21 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, LaGrippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at J. S. Hodgkinson's drug store.

DOES IT PAY TO BUY CHEAP?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the most severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac.

PIANOS ON EASY TERMS.

And at prices to suit any one. The prices range from two hundred and twenty-five dollars up—twenty-five dollars down and the balance in ten-dollar monthly installments. These pianos are all fully guaranteed and have the latest improved action and are the style upright. No one on earth sells better pianos or better-toned pianos, gives more value for the money than C. J. Brookins. Brookins has lived and sold pianos in Reno for thirty years. Why not buy your piano of Professor Brookins, who knows all about pianos and has made them a great study for thirty years? Call at 224 Virginia street, C. J. Brookins' store.

ALL AROUND THE STATE

A Few Gleaned Paragraphs of Nevada News.

J. A. Lee, a Tuscarora, Elko county, resident, was drugged and robbed of \$800 in Salt Lake recently.

Mrs. Annie Beese of Elko has become insane.

Some enterprising Carson Valley people are making arrangements for the establishment of a traction engine line running between Carson and the upper end of the valley.

The school districts of Huntington and Liberty in Elko county have been consolidated.

State Printer Maute has finished work on the Mining Laws of Nevada and the books are now in the hands of the Secretary of State. The compilation not only includes the State laws, but also the United States Mining Laws.

The Reveille says a report has reached Austin from Belmont that the disease so fatal in Tonopah some weeks ago has again broken out and that many people are sick.

A HORRIBLE OUTBREAK.

"Of large sores on my little daughter's head developed into a case of cold head," writes C. D. Ishill of Morantown, Tenn., but Bucklen's Arnica Salve completely cured her. It's a guaranteed cure for Eczema, Tetter, Salt Rheum, Pimples, Sores, Ulcers and Piles. Only 25 cents at S. J. Hodgkinson's.

Before buying a bicycle please call and see the celebrated 1902 Racycle, "The Perfect Wheel." Magazine self-acting hanger, hubs, pedals, etc. The only wheel you don't have to oil for one year. Oil charged at factory, so needs no attention during the season. Guaranteed to run a year without oiling. And last, but not least, the only bicycle guaranteed for one year. The Colorado-Nevada Mining Company of the Washoe district, will receive bids until March 15th for the sinking of its shaft one hundred feet from its present depth of 118 feet. Conditions upon application to R. R. Arnold, Riverside Hotel, or by addressing P. O. Box 318, Reno, Nevada. td

Dunster & Newman's Make.

Call for the General Reno cigar. It is made by union labor at Newman & Dunster's factory. Patronize home industry.

DO YOU REALIZE THAT A GAS STOVE FLAME IS NOT LIKE ILLUMINATING GAS?

Many people imagine a gas stove must be expensive, because gas costs so much for light. They try to reason from their lighting bill what it would cost to cook with gas. That is where they are wrong. A gas jet gives light only and is all gas—illumination, but lit—the heat. A gas stove burner consumes 7 parts air to 1 of gas, thus producing a very hot blue flame—great heat, but very little illumination.

After Baby Comes.

In the days following the baby's birth there is often a long up-hill struggle to recover strength, and the nurse battles herself in the preparation of jellies and broths for the invalid.

When Dr. Pierce's Favorite Prescription is used as a preparative for motherhood the baby's advent is practically painless, there is abundant strength to nurse and nourish the child, and a rapid recovery from the shock and strain inseparable from maternity.

"I was pleased that Dr. Pierce answered my letter," writes Mrs. C. W. Young, of 22 South Regent Street (Lee Park), Wilkesbarre, Penna. "When I had those mishaps I began to think I would never have children. My back used to almost break and I would get sick at my stomach and have such headaches I did not know what to do; they used to set me nearly crazy and I used to dread to get up. I felt so bad; then I began taking Dr. Pierce's Favorite Prescription. When baby was expected I took it all the time I was that way. I felt fine at the time, and I never got those dizzy spells now. I hardly ever have a nervous headache any more. I have a perfect romp of a boy; he is the light of our home. I am now twenty years old and my baby is almost eight months old. I now feel well, and weigh 125 pounds and the baby 25 pounds. We feel very grateful for the good your medicine did for us. We are both healthy, thanks to Dr. Pierce's medicine."

Dr. Pierce's Pleasant Pellets keep the bowels healthy.

TELEGRAPHIC BRIEFS

News of the World, Boiled Down for Quick Perusal by The Journal's Busy Readers.

General Methuen and four guns have been captured by the Boers.

In the event of the retirement of President Diaz of Mexico, there has been much speculation as to his probable successor. Recent dispatches from the Mexican seat of government have prominently mentioned the present Minister of War, General Bernardo Reyes, in connection with the high office, but a strong contradiction has also been received which states that the Minister of Finance, Jose Yves Limantour, would be the natural choice of the people.

Some of the daily papers have been unmingling up Prince Henry's trip to the United States. Their tone is one of complete satisfaction. They deny that the Prince's visit was ever intended to have any specific political aim, but merely proposed to bring about an improvement in the popular feeling in both countries.

General Chakir Pasha, a brother of the late Grand Vizier, who was recently arrested by order of the Sultan, and he other officers taken into custody with him, have been liberated.

Prince Henry was the central figure yesterday in another round of entertainment arranged in his honor.

It is believed by officials of the United States District Court that D. B. Boone and John F. Gaynor, the chief defendants in the conspiracy growing out of Oberlin M. Carter's peculations, who last week forfeited their \$40,000 bonds, have gone to Nicaragua.

This evening Frank Saxton will depart for South Africa, where he resumes his position with the company that employed him before the war broke out. Frank has been waiting for word and it came in the form of a telegram. His many friends in this city will wish him further success in his dark continent.—Appeal.

Fred Kauback returned last Sunday from his trip to Mexico and California points. He stopped over at Reno about a week. He says that it is a lively city and that it seems to have a very bright future. The railroad shops are to be moved to Reno from Washworth, a fact which will materially add to the business and population of the Nevada metropolis materially.—Quincy Bulletin.

It is reported that the Gardnerville Record has been sold to Dr. S. S. Southworth.

Every blast simply confirms the general impression that Tonopah is the El Dorado of the times. The company is doing nothing save sinking, getting all the ore in sight possible, while plans are maturing for railroad connection with the outside, etc. Men are going in at the rate of nearly a score a day.

STRIKES A RICH FIND.

It was troubled for several years with chronic indigestion and nervous debility," writes J. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines that I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; but they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by S. J. Hodgkinson.

IN THE HALLS OF CONGRESS

Yesterday's Happenings Under the Great White Dome at the National Capitol.

The American Legation in Constantinople yesterday presented to the Porte the text of the note referring to the capture of Miss Stone. It is pointed out in this note that as Miss Stone was captured, the ransom paid and the prisoners delivered in Turkey, the brigands must be within the Turkish frontier and therefore should be captured.

Chairman Fowler of the House Committee on Banking and Currency today will introduce an important financial measure, framed by the Republican members of the committee after conferences extending through the last two months. It brings together into one financial measure a number of questions which have been urged heretofore.

The attention of Secretary Wilson of the Agricultural Department was called yesterday to reports that he contemplated soon resigning from the Cabinet. The Secretary treated the subject lightly, declaring that it was news to him, and adding in reply to a specific inquiry, that he had no intention of taking the step suggested.

DOES IT PAY TO BUY CHEAP?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the most severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac.
